The clocks have changed which means summer is finally on its way, which brings us to the long awaited outdoor season. There was no better way to bring the indoor season to a close than with the prestigious Pony Of The Year Show. We saw many, many talented young riders compete over the Easter weekend. Lots of prizes and well deserved titles were won. The theme was Jungle book and our team here at Bury Farm put weeks of preparation in to deliver a superbly dressed arena which really brought the Jungle to life and we would like to thank all involved from arena party to medics to sponsors for helping Pony of The Year show 2016 become another fantastic show. A big WELL DONE to all who competed at POYS, we hope you enjoyed it as much as we did!
